What to EXPECT

"The BIG100 is an EXPERIENCE as much as it is an EVENT. The impact of being in a room with 200 other like-minded business owners should not be under-estimated. Spending eight hours in a highly energised, positive and focused environment will open up all sorts of opportunities for you and your business - GUARANTEED!" - Ian Dickson - International Speaker and Multi Award winning Coach.

MINDSET - THESE GAME CHANGERS WILL HELP YOU TO REFOCUS YOUR MIND AND APPROACH TO BUSINESS

All of this is essentially pointless without the right mindset and attitude. Many of the days 100 game changers are designed to help you change your belief system and maybe even give you a paradigm shift or two!

KNOWLEDGE - WE LIVE IN AN EVER CHANGING WORLD, SIMPLY KNOWING WHAT TO DO IS OFTEN ALL WE NEED.

Without doubt one of the biggest takeaways from this bumper event and experience is simply the amount of knowledge we share. With 100 business tips in a day, you really are guaranteed to learn something new!

ACTION - ALL OF THIS IS COMPLETELY POINTLESS WITHOUT ACTION. WE INCLUDE PLENTY OF ACTION TIPS!

After 15 years of helping business owners fight against their own internal sabotaging selves, I have created some great tips that will also help you take ACTION on what you will learn during the day.
