Your Venue

1 West Quay Road, Southampton

City centre hotel with one of the largest conference & events venues for up to 500 delegates with on site car parking.

Located in the City centre, Novotel Southampton Centre is situated a one-minute walk from Southampton's central train station and easily accessible from the M27.

With a choice of three different grades of hotel on this site we also believe this makes the venue perfect for national and international delegates wishing to travel and stop overnight at the location.
